

Clara
Barton

22 April 1955

Dear Beverley Fossick:

I am sorry to advise you that your nomination of Clara Barton came too late to be entered with the others. The nominations closed on the 1st of April. However, you need not feel too badly, because Clara Barton was nominated by many other persons this year, and her name will appear on the ballot which will be sent to the Electors in June of this year.

Sincerely yours,

Bertha L. Lyons (Mrs. N.)
